

Dear Educators,
Mobility India is pleased to
announce the upcoming

Three Days Continuous Rehabilitation Education (CRE) Workshop on Training of Trainers (TOT)

IN LINE WITH WORLD HEALTH ORGANISATION

Rationale & Aim of this Workshop:

This three-day hands-on workshop is directed towards new trainers who often feel unprepared to meet the challenges they face, and also for existing teachers who would like to enhance their skills as effective trainers.

The workshop will equip new and existing trainers in the healthcare professions with

basic knowledge, skills and tools in higher education, and to build confidence to provide effective and stimulating training for their students.

With over 15 years of experience and International awards, Mobility India has built a teaching methodology for allied health professionals which is unrivalled in India and the region.
